1. Reference and Administrative Details of the Charity, its Trustees and Advisers

1.1 The Charity

On 8 November, 2001, the church was registered as a charity. The official name of the charity is Godmanchester Baptist Church and the charity number is 1089263. The official address for correspondence is:

1.2 Trustees

The trustees of Godmanchester Baptist Church are the members of its Leadership Team. Together the Leadership Team are responsible for the spiritual direction of the Church, worship and prayer, discipleship and outreach, as well as the statutory obligation of overseeing the administration of the Church as charity trustees, outlined below. Trustees at 31 December 2014 were:

John C. Smith Senior Pastor / Chairman Brett A. Mickelburgh Treasurer Daniel M. Beckett Youth & Children's Pastor Ian D. Lasseter James D. Alexander John E. Brown David J. Fennell John W. Stevens Delia M. Steer Joseph D. George Veronica Ruth Blakey Sally E. King Helen M. Healy Anthony Goodwin

The holders of the office of Senior Pastor and Youth & Children's Pastor are paid by the Church as well as being *exofficio* members of Leadership Team (as allowed in the Constitution). They have been assisted in day-to-day management and operation of the Church by Mrs Ruth Blakey (Administrator) along with numerous volunteers.

The Charities Act 2011 requires the Leadership Team, as the trustees of the Church, to prepare financial statements for each financial year which give a true and fair view of the Church's financial activities during the year and of its financial position at the end of the year.

In preparing the financial statements the Leadership Team should follow best practice and

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards and the Charities SORP (Statement of Recommended Practice), disclosing and explaining any departures in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the Church will continue in operation.

The Leadership Team is responsible for keeping accounting records which are such as to disclose, with reasonable accuracy, the financial position of the Church at any time, and to enable them as trustees to ensure that the financial statements comply with charity law. The Leadership Team is also responsible for safeguarding the Church's assets, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

At present there is no policy or procedure for the induction and training of new trustees. However, some trustees have attended courses and conferences relevant to their work for the Church. All potential trustees are made aware of the Charity Commission and Baptist Union guidance on the role and responsibilities of trusteeship at the time when they are asked to consider standing for election.

3. Objectives and Activities

Godmanchester Baptist Church's aim is to 'Love God, love each other, make disciples.'

The charitable objectives of the church are:

- a) To advance the Christian Religion in accordance with the Church Covenant, in Huntingdonshire and in such other parts of the United Kingdom or the world as the Leadership Team may from time to time think fit, and to fulfil such other charitable purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the church.
- b) To relieve persons who are in conditions of need or hardship or who are aged or sick and to relieve the distress caused thereby in Huntingdonshire and in such other parts of the United Kingdom or the world as the Leadership Team may from time to time think fit.

4. Public Benefit, Achievements and Performance

Where it is relevant, the Trustees take into account the guidance of the Charity Commission on Public Benefit. We provide public benefit principally in the provision of a Place of Worship, with regular services open to all members of the public. We seek to contribute to the moral and spiritual education of children and young people and to engage with and promote self-worth in those who have suffered social exclusion. We seek to fulfil our charitable objectives in the advancement of Christianity and in supporting those in need, specific examples of which are given below.

4.1 Objective: to advance the Christian Religion in accordance with the Church Covenant

4.1.1 Among adults

Through our worship services in the church building and network of small groups meeting in homes we have helped the congregation grow in understanding our faith, in our commitment to follow Jesus Christ as his disciples and in the ability to share our faith. Our membership at the end of 2014 was 142, (4 of whom are non-voting Associate Members). 6 people have been baptised on profession of faith during the year. We currently have 3 adult congregations with some overlap in attendance – Sunday morning, Sunday evening and *Songs of Praise* which is monthly on a Sunday afternoon. A total of around 290 adults worship with us in these congregations.

We have sought to attain our objective by worshipping God; engaging in the mission of the Lord Jesus; training others to serve the Lord Jesus and extending His kingdom.

We have communicated our faith through courses at the Church Centre, outreach events and personal witness.

Songs of Praise

We have regularly held services for the residents of sheltered housing communities in Godmanchester and St Ives. Teams of people have been responsible for some Sunday morning services at the local hospital and for occasionally leading worship at Yelling Baptist Church and Medway Christian Fellowship. Members of our Congregation have also spoken at services at other local churches.

4.1.2 Among youth

We have taught approximately 8 younger youth through the Furnace group on Sunday mornings,

and our Generation Rising Youth Congregation on Sunday evenings has helped approximately 25 older youth understand the relevance of Christian faith in today's world. Our Friday Night Project youth club has served youth from the wider community as

well as from Church families with average attendance around 100 young people. We have a Girls

Only project, to encourage and disciple the older girls, linking them with adult mentors. This year we have started a new youth club called TOAST for those who are 15 or over which is aiming for a more relaxed feel than Friday Night project.

4.1.3 Among children

We have communicated the Christian faith to approximately 36 children through the Kids Kingdom, Little Stars and Crèche groups on Sunday

mornings. We have run a monthly Messy Church on Sunday Afternoon with approximately 60 children and parents attending. The Explorers activity club on Thursday

evenings has an approximate attendance of 18 children.

In the summer we held a Holiday Club over 5 mornings, attracting around 120 children from the wider community. Members of our staff and congregation regularly assist local primary and secondary schools in supporting Christian Unions, in the delivery of assemblies, as well as PSHE and RE curricula, on a voluntary basis. We have financially supported the GenR8 teams who regularly deliver Christian Assemblies in Cambridgeshire schools 🚜 Little and our Youth and Children's Pastor has been part of a team.

4.1.4 Beyond Godmanchester, in the U.K. and abroad

We have fostered closer working relationships with other churches in the Godmanchester and Huntingdon district, seeking to bear witness to Jesus Christ through joint services and some open-air events in the towns, as well as collaborating in certain community projects. We have a particular partnership with Medway Christian Fellowship in Huntingdon with whom we shared the ministry of Adrian Woodbridge until late 2013.

We have made financial contributions to Baptist Union Home Mission to support the work of the BU in resourcing UK churches. We continue to make financial contributions for overseas mission work.

4.2 Objective: to relieve persons who are in conditions of need or hardship

We have provided emotional, practical and spiritual support for those in our congregation and community who have needed such assistance. The sick, the aged and the infirm have been visited and practical support offered as

We have provided the weekly Littlefoot Parents and Toddlers Club for the benefit of our community where over 100 Children and adults have attended. Together with those from other churches, some of our members are involved in the Cornerstone Pregnancy Crisis

Centre, a confidential counselling service for pregnant women and their partners which also provides PHSE lessons in local Secondary Schools, covering issues around teenage pregnancy. We also have members who are involved, with those from other Churches, in the work of Huntingdon Area Money Advice (HAMA) using our premises as one of its bases for meeting clients.

We host a weekly Lunch Club, run in partnership with other churches, providing cooked meals and convivial company for about 50 senior citizens of the town. Again this year we ran a 5-day event for senior citizens, called Holiday at Home, with talks and activities of interest to those attending with a meal provided every lunchtime and high tea later.

The weekly Football Project is an opportunity for contact with some 20+ of the young people of the town over a game of football on the multi-use games area on the Community Primary School site.

The Foodbank has remained with the Trussell Trust - a charity which provides assistance and training to those running food banks around the country. Donated or purchased non-perishable food items are redistributed without charge to those in urgent need. We have 55 local agencies registered as voucher holders who issue vouchers to those in need which can then be redeemed at the Foodbank. 19,547KG (14,044KG in 2013) of food has been issued during the year, with an

estimated value of around £32,800 (£23,600 in 2013). We have seen 637 vouchers issued by agencies and have fed over 1,362 people in this way, mostly living in Huntingdon but also in Godmanchester and surrounding villages. £3,005

(£2,212) of cash donations to Foodbank has been spent on purchasing food - the rest has been donated by individuals, Church congregations and staff in businesses in the local community who have collected food and brought it to the Foodbank. A number of primary schools donated food from their harvest assemblies. During the year we held supermarket collections at Waitrose and have taken part in national collections at Tesco arranged by the Trussell Trust. An additional 122 food hampers were distributed to 408 adults and children (305 in 2013) in the week before Christmas. We have received financial support from individuals, other Churches, organisations and businesses towards operating costs and to provide some of the food for both the routine distribution and the hampers.

We have made our premises available for hire on a non-profit making basis to local community groups. We have supported the work of Christian Aid by providing collectors for their local house-to-house collection. We have supported financially the work of agencies seeking to relieve hardship abroad, including the work of the Anglo-Indian Concern in Chennai, India; The Rehoboth Children's Homes in the Philippines; Kathryn Thompson (working at Rehoboth to provide educational support); Mission Direct working around the world; Cambodia Action; and another organisation working in Central Asia. Members of the Fellowship have made short trips to Cambodia, The Phillipines and other places around the world on behalf of or in support of these organisations.

4.3 In order to facilitate the achievement of these objectives:

We have emphasised the priority of prayer together, in prayer triplets, in small groups, at meetings specifically for prayer and during our services.

We have used, maintained and developed our buildings appropriately starting a significant improvement to our site to increase the size of the small hall, improve the toilet facilities, improve the kitchen facilities and make significant improvements for accessibility including the installation of a lift to the first floor.

We have paid and supported both Pastoral and Administrative Staff, as listed above.

We encourage the widest participation in our activities, where necessary subsidising events and activities so that 'ability to pay' is not a barrier.

5. Financial Review

5.1 Summary of the Financial Year

The total incoming resources of the Church in 2014, as shown on the Statement of Financial Activities (SOFA), was £374,322 which is an increase of £136,845 over 2013. This increase has been arisen from funds raised for the building expansion project "Oikodom" which has been run as a restricted fund. Due to the phased nature of the building project we have not authorised all of the phases of the work and therefore show a large cash surplus. Donations to the general fund have been impacted by the generosity of the giving to Oikodom.

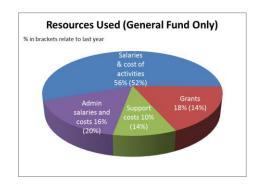

The General Fund has seen a decrease in donated income of £23,287 this year compared to 2013. General fund costs have also fallen however this has been in part due to moving aspects of income and expenditure relating to activities into designated funds.

Total expenditure during the year was £227,441 of which £18,281 is depreciation. This is a decrease of £28,116 over 2013. This is largely due to the absence of the architects preparatory professional fees regarding the building project (£24,300).

The spend on Oikodom building work is shown in the accounts as Fixed Assets as part of the East Chadley Lane premises and so has had no impact on the reported expenditure for the year. The ongoing architect's fees and the costs of planning and building regulations applications has been shown as part of expenditure and amounted to £6,408 (2013 £24,300).

The total financial value of the Church has increased by £146,881 to £448,510 reflecting the gifts received towards the Oikodom building project of £ 159,408.

General Fund income	20	2014		13
Donations	£177,296	98.3%	£201,622	99.0%
Activity income	£730	0.4%	£150	0.1%
Fundraising	£3	0.0%	£95	0.0%
Investment	£291	0.2%	£537	0.3%
Other	£2,004	1.1%	£1,207	0.6%
Total	£180,324		£203,611	

In summary, the Church has been able to increase its work in the community through this year with more activities and more participants. The extra cost of this has only partially been covered by an increase in Activity Income, the rest being covered by Donations, even though they have fallen. Nevertheless we have completed the first phase of a building development project entirely from within existing financial resources.

Further details and analysis can be found in the Notes to the accounts which follow.

5.2 Policies for reserves, investment and grants

The Reserves Policy is to maintain an amount equivalent to six months' salary in the General Fund which is currently £52,004. In the first half of the year the balance was about this level however in the second half it has been above the level. At the end of the year our balance in the General Fund was £61,042.

Cash not needed for immediate operating costs is split between an instant access Deposit Account with Stewardship and a 60-day notice account with Kingdom Bank. No fixed term investments or equity-based investments are made. Small grants are made to individuals or organisations in sympathy with our charitable objectives on application to the Leadership Team. A policy of a maximum of 50% support is usually applied. It has been the policy of the Leadership Team to give away approximately 15% of the General Fund donated income to other charities and individuals involved in charitable work. In 2014 the grants came to 18% of General Fund donated income. The policy for setting the amount of grants paid will change for 2015 and become an amount fixed at 15% of budgeted income which will only be amended if there is a dire financial requirement.

Grants for the support of individuals and organisations are accounted for on the basis of the support agreed by the Leadership Team relating to that financial year. (See Note 3 on page 9.)

On the Statement of Financial Activities, the 'Resources Used' include 'Support costs' and 'Management costs'. Support costs include

- Cleaning of and repairs to the Church premises, insurance and security.
- Electricity and water supply costs
- Health & safety expenditure
- Purchase of equipment not deemed to be a fixed asset and depreciation of those that are.

Management costs include

- Administrative staff salaries
- Church Office costs including telephone and internet provision and mobile phones for Pastoral staff.
- Financial and administration training, professional and statutory fees

6. Plans for the future

We will continue to cast the vision of belonging to Godmanchester Baptist Church as a multi-congregational church: a worshipping community; a small group community; and a serving community. During 2015 we will continue to focus on responding to the growth we have seen in church life in the recent past.

We will seek to multiply leadership and opportunities for service by identifying, training and supporting new leaders across congregations and activities. We will release leadership to a wider number of people, mentor rising leaders, and focus on equipping and supporting people so they can lead better. We will seek to be creative in involving people in new ways, show people they are valued, and make more use of their testimonies.

The completion of the building project will increase the capacity of the premises for many of the midweek activities such as Lunch Club and the FNP Youth Club, as well as providing appropriate places for various forms of one-to-one support. It will also provide more suitable kitchen and toilet facilities and a lift for access to the upper floor.

We will multiply ministry and mission opportunities by using Gray's Matrix to identify places where steps between attendances at activities in areas of church life are too large. We will seek to match people's passions and gifts to enable further growth, especially in the areas of women's ministry; men's ministry; families' ministry; 20s and 30s; Foodbank; and debt counselling. We will take people out of their comfort zone by encouraging short term mission and equipping them to express their faith in the workplace. We will be driven by our passion to see God's kingdom come in our community, to care for our people in our congregations, and to worship God: To Guard the Heart and to Grow the Edge.

Approximately 19,547 kg of food (estimated value £32,800) has been distribution to those in emergency need by the Godmanchester Foodbank. £3,005 of restricted donations were spent to provide some of this food and this is included in the amount given to individuals shown above.

Where a particular individual or organisation has been supported by the church for a number of years, strict compliance with the Charities Statement of Recommended Practice (SORP) may regard some arrangements as constituting constructive obligations such that future years' support should be accounted for as a liability. Whilst the support has no end date, the Leadership Team assess

such grants on an annual basis and are confident that those individuals and organisations would not view their support as an open ended obligation on the part of the church and therefore no such liability has been included in these accounts.

4. Fixed Assets

Depreciation is provided on capital assets on a straight line basis based on the estimated useful life of those fixed assets and their anticipated residual value. Capital assets are generally regarded as those with a purchase value of more than £500 and an expected life of 3 years or more. The cost of significant building development work is treated as an increase to the value of the property and depreciated accordingly. Depreciation rates are: - Buildings and new major building work 2% per annum, Equipment and new minor building work between 10% and 33% (usually 20%) per annum. Freehold land is not depreciated. The site in East Chadley Lane is wholly owned by the Church. The East Chadley Lane property was purchased in 1990 and has been depreciated on our purchase price. (A valuation during 2010 suggested a price range in the same order as the then depreciated value.)

Changes to Fixed Assets are:-

	East Chadley Lane	Equipment	Total assets
Cost:			
Balance brought forward 1 January 2014	£374,075	£27,168	£401,243

5. Oikodom Building Project

So far £159,408 of funds have been raised towards the redevelopment of the church buildings. Of this £22,500 has been raised through grants (see Note 3). The majority of the funds raised to date have been one-off donations towards the project.

Capital expenditure of £67,468 had been spent towards the project of which £50,000 was for works completed on Phase 2 of the project. This year no money was transacted from the Littlefoot fund for use of premises; £1,080 was paid from Lunch Club to the general fund for use of premises.

7. Transactions with Connected Persons

Connected persons are taken to be Trustees (Leadership Team) and their households. During 2014 two Trustees (Senior Pastor; Youth & Children's Pastor) have received stipends and expenses from the Church as allowed by the Church Constitution. One trustee (Administrator) has received a salary. These remunerations are detailed below. All transactions involving Connected Persons are reimbursements for expenses incurred on behalf of the Church, with no personal benefit being derived.

8. Remuneration of Employees

The Church has paid 3 staff for the whole year – Senior Pastor & Youth Pastor full-time and Administrator part-time. In addition, a total of 5 people have received payment for part-time / casual cleaning. No individual employee received emoluments in excess of £60,000.

The Leadership Team set the pastor's stipends based on the BUGB standard stipend (plus an appropriate enhancement for responsibility and experience) plus the BUGB recommended method of dealing with costs associated with the provision of housing including leaseback and direct payment of certain statutory charges.

10. Agency Funding

During the year no money has passed through the Church accounts other than that recorded in these accounts.

Independent Examiners' Report to the Trustees of Godmanchester Baptist Church

We report on the accounts of the Trust for the year ended 31 December 2014, which are set out on pages 7 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is our responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145 (5) (b) of the Charities Act; and
- to state whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiners' statement

In connection with our examination, no matter has come to our attention:

- (1) which gives us reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
