

## HOW YOU CAN GET INVOLVED

Huntingdon Area Money Advice is a free money and debt advice service to be provided by Christians from our local churches. It is being supported by the national Christian charity Community Money Advice and aims to support those who require money management advice to prevent debt and to help those in debt to find workable solutions, supporting them until free of debt. This service contributes to the mission of the Christian churches to share God's love in practical ways with their immediate community.

We need people to fill a variety of roles which are listed overleaf. Please note that for any of these roles, no previous experience is required and training will be provided for the Adviser role. If you are not sure and would just like to find out more then please tick against "Not Sure" and we can explore further with you where you may fit in.

If you would like the opportunity to be involved please either complete the form and post it, or just get in touch with Colin Weaver, contact details below.
