σΙΚΟΔΟΜ2

Proposed Worship Area
Refurbishment

Meaning of Oikodom

- We've called the project OIKODOM because the first Christians had one word for building a structure and building lives: OIKODOM.
- The first part of the project – the extension of Room 5 is due to commence in May.

Reasons for Redevelopment

Worship Area

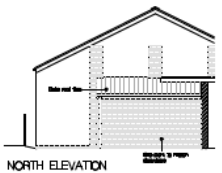

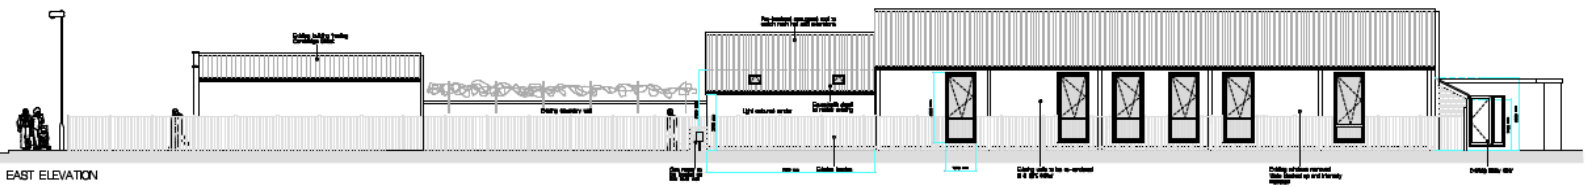

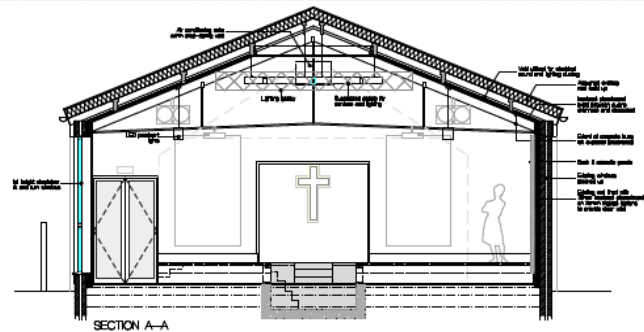

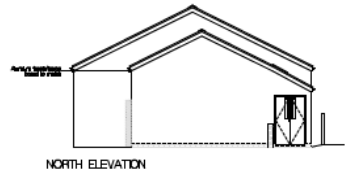

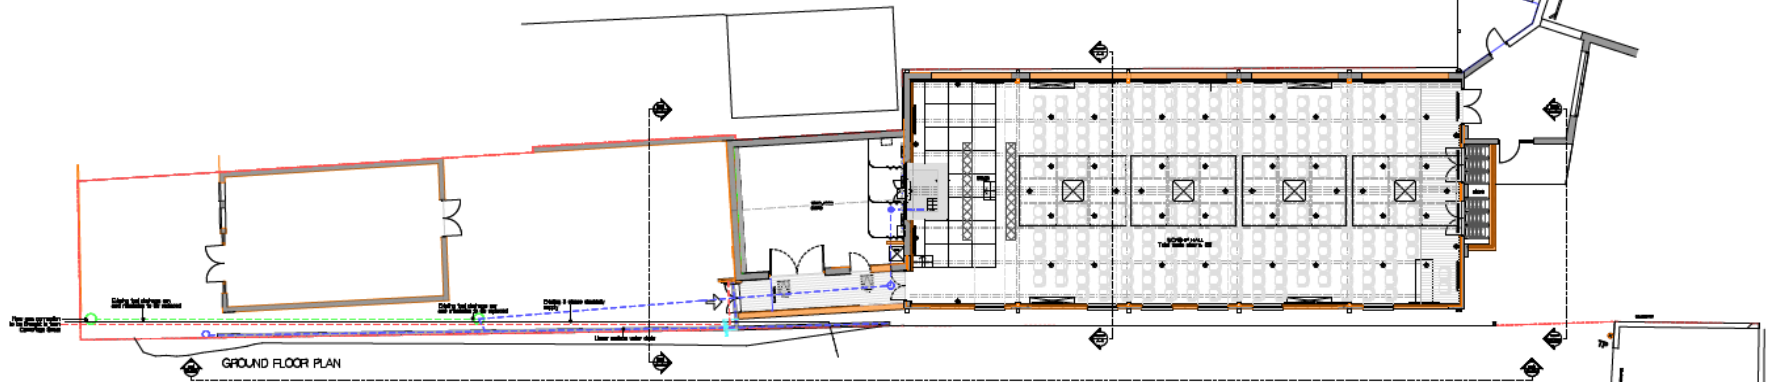

- Deteriorating exterior appearance giving unwelcoming appearance
- Old single glazed windows with high energy loss
- Single skin walls with low insulation
- Poor sound insulation for neighbours
- Noisy roof when raining & condensation drips

Reasons for Redevelopment

- Lighting badly needs replacing
- Inefficient and costly heating system
- Resources Room has asbestos roof
- Baptism pool is labour intensive to move and set up.
- Poor changing facilities
- Seating is heavy to move and takes up unnecessary space.
