

## **Creative Worship & Spirituality**

### ***Ancient Stories Retold Today***

**Wednesdays from 7.30-9.00pm at East Chadley Lane**

**Running for 6 weeks from 5 March to 9 April**

**Exhibition: Holy Week**

An opportunity to meet together with others to creatively express one of the Psalms, using whatever creative medium you wish to use to create individual pieces (paint, writing, knitting, crochet, Lego).

No need to be an expert. This is about connecting with God in creative ways and expressing something of your spirituality. We are hoping to have an exhibition of pieces to open to the public during Holy Week.
